

MATTHEW LITTLE, PHD

Assistant Professor, School of Public Health and Social Policy, University of Victoria, Victoria, BC

Phone: (519) 803-3198 | Email: matthewlittle@uvic.ca

1. DEGREES AND DIPLOMAS

Degree	Program	Institution	Years
PhD	Population Medicine and International Development (direct entry) <i>Title of dissertation:</i> Type 2 diabetes and the double burden of malnutrition in rural South India: A mixed-methods examination of a public health crisis	University of Guelph, Guelph, ON, CAN	2011-2017
BSc. (Hons)	Human Kinetics and Health Sciences <i>Title of honours thesis:</i> Running back the clock: Exercise therapy to treat Parkinson's disease	University of Guelph, Guelph, ON, CAN	2006-2011

2. ACADEMIC POSITIONS APART FROM APPOINTMENT AT UNIVERSITY OF VICTORIA

Date	Position	Institution
2022–present	Adjunct Professor	School of Public Health Sciences, University of Waterloo, Waterloo, ON
2019–present	Adjunct Professor	Department of Population Medicine, University of Guelph, Guelph, ON
2018–2019	Assistant Professor (tenure-track)	Department of Population Medicine, University of Guelph, Guelph, ON
2017–2018	CIHR Postdoctoral Fellow	Centre de recherche CHU de Québec, Département de médecine sociale et préventive, Université Laval, QC
2015–2016	Sessional Lecturer	Department of Population Medicine, University of Guelph, Guelph, ON
2014	Teaching Assistant	Department of Population Medicine, University of Guelph, Guelph, ON

3. APPOINTMENT AT UNIVERSITY OF VICTORIA

Period	Rank	Academic unit
July 1, 2019 – present	Assistant Professor (tenure-track)	School of Public Health and Social Policy, Faculty of Human and Social Development

4. MAJOR FIELDS OF SCHOLARLY OR PROFESSIONAL INTEREST

global health; environmental health; Indigenous health; planetary health; food security; food sovereignty; food shocks; food policy; environmental health; environmental epidemiology; nutrition; nutritional epidemiology; non-

communicable diseases; cardio-metabolic diseases; health equity; Indigenous traditional knowledge; Inuit *Qaujimaqatuqangit*; community food services; social prescribing; implementation science

5. RESEARCH GRANTS, FELLOWSHIPS, AWARDS, AND CONTRACTS

a. Applications Under Review

Agency and Competition	Title	Applicants (Principal Applicant denoted by PA)	Amount Requested	Time period
ArcticNet	Nunavik Workshop on Arctic Science and Inuit Knowledge	Matthew Little (NPI), Mikhaela Neelin (co-PI), Mélanie Lemire (co-PI), Pierre Ayotte (co-I), Tiff-Annie Kenny (co-I),	\$150,000	2023-24

b. Successful Applications

Agency and Competition	Title	Applicants (Principal Investigator/Applicant denoted by PI/PA)	Amount Awarded	Time period
Crown-Indigenous Relations and Northern Affairs Canada Northern Contaminants Program, Human Health Stream	Environmental contaminants, nutrition, and human health in Nunavik 2004-2017: Analyzing existing data and promoting health of Nunavimmiut	Matthew Little (NPI), Mélanie Lemire (co-PI), Pierre Ayotte (co-I), Tiff-Annie Kenny (co-I), Amira Aker (co-I)	\$509,450	2023-26
Crown-Indigenous Relations and Northern Affairs Canada Northern Contaminants Program, Communications, Capacity, and Outreach Stream	Nunavik Workshop on Arctic Science and Inuit Knowledge	Matthew Little (NPI), Mikhaela Neelin (co-PI), Mélanie Lemire (co-PI), Pierre Ayotte (co-I), Tiff-Annie Kenny (co-I),	\$76,916	2023-24
Canadian Institutes of Health Research Planning and Development Grant: Indigenous Peoples' Health	A land-based approach to mobilizing knowledge on fisheries and food security in Qikiqtarjuaq, NU	Matthew Little (PA), Laurie Chan (co-A), Mélanie Lemire (co-A), Tiff-Annie Kenny (co-A), Meghan Brockington (co-A)	\$25,000	2023-2024

M Little – Curriculum Vitae

Canadian Institutes of Health Research Planning and Development Grant: Global Health	Enhancing food sovereignty and nutrition in the context of intersecting social-ecological crises: partnership building and planning in Guatemala and El Salvador	Warren Dodd (PA), Matthew Little (Co-A), Hannah Neufeld (Co-A), Brian Laird (Co-A), Sarah Wyngaarden (Co-A), Jack Lesniewski (Co-A), Emily Kocsis (Co-A)	\$20,000	2022-2024
New Frontiers in Research Fund – Innovative Approaches to Research in the Pandemic	“Can we tell them that people can’t afford to eat, and it’s getting worse and worse?”: Developing innovative methods for participatory food environment research in northern and remote communities	Tiff-Annie Kenny (PA), Matthew Little (Co-PI), Malek Batal (Co-A), Sylvain Charlebois (Co_A), Jullian MacLean (Co-A), Desai Shan (Co-A), Gerald Sing (Co-A), Sonia Wesche (Co-A)	\$250,000	2022-2024
SSHRC Insight Grant	Interrogating Universal and Targeted Approaches to Pro-Poor Policy during Social Ecological Crises: A Mixed-Methods Study in the Philippines	Warren Dodd (PA), Matthew Little (co-A), Lincoln Lau, Marites Tiongco, Craig Janes	\$178,984	2022-2026
Danone Institute of North America One Planet One Health	Delivering on sustainable food systems: Evaluating a good food box program in Nanaimo, BC	Matthew Little (PI), Jen Cody, Craig Evans, Warren Dodd, Tabitha Tucker	USD \$30,000	2021-2023
Michael Smith Health Research BC Scholar Award	Addressing food security and the double burden of malnutrition in a changing climate	Matthew Little (PI)	\$450,000	2021-2026
Crown-Indigenous Relations and Northern Affairs Canada Northern Contaminants Program, Human Health Stream	The role of culture, health messaging, conservation management, and Inuit knowledge in country food access, preferences, and decision-making (CHOICES)	Matthew Little (PI), Tiff-Annie Kenny, Melanie Lemire, Pierre Ayotte, Kitty Gordon, Lucy Grey, Marie-Josée Gauthier	\$149,480	2021-2023
Crown-Indigenous Relations and Northern Affairs Canada Northern Contaminants Program, Human Health Stream	<i>Nutaratsaliit Qanuingsiarningit Niqituinnanut</i> : Informing and supporting integrated action on contaminants, nutrients, and food security for pregnant women and all Nunavimmiut (Years 4-5)	Matthew Little (Co-PI), Melanie Lemire (Co-PI), Adriano Magesky, Elyse Caron-Beaudoin, Janie Dallaire, Sylvie Ricard, Mario Brisson	\$301,645	2021-2023
University of Victoria Faculty of Human and Social Development Internal Grant	Evaluating the impacts and acceptability of a fresh food prescription program on health, food security, and social connectivity in Guelph, Ontario	Matthew Little (PI), Damien Contandriopoulos, Abby Richter	\$4,980.16	2021-2022

M Little – Curriculum Vitae

Mitacs Accelerate	Evaluating the impacts and acceptability of a fresh food prescription program on health, food security, and social connectivity in Guelph, Ontario: A quasi-experimental study	Matthew Little (PI, Academic Supervisor), Eleah Stringer, Gavin Dandy, Kate Vsetula, Abby Richter, Guelph Community Health Centre	\$75,000	2021-2023
Crown-Indigenous Relations and Northern Affairs Canada Northern Contaminants Program, Human Health Stream	<i>Nutaratsaliit Qanuingsiarningit Niqituinnanut</i> : Informing and supporting integrated action on contaminants, nutrients, and food security for pregnant women and all Nunavimmiut (Year 3)	Melanie Lemire (PI), Matthew Little (Co-I), Adriano Magesky, Elyse Caron-Beaudoin, Janie Dallaire, Sylvie Ricard, Mario Brisson	\$165,450	2020-2021
Sentinel North / Sentinelle Nord	Sustainable and resilient country food systems for future generations of Nunavimmiut - promoting food security while adapting to changing northern environments	Tiff-Annie Kenny (co-PI), Frédéric Maps (co-PI), Melanie Lemire (co-PI), Matthew Little (collaborator), Jean-Sebastien Moore, Pierre Ayotte, Steeve Côté	\$699,100	2020-2024
ArcticNet	Moving from understanding to action on food security in Inuit Nunangat	Matthew Little (Co-PI 2021; collaborator 2019-2020), Tiff-Annie Kenny (Co-PI 2021; collaborator 2019-2020) Chris Furgal (Co-I 2021; PI 2019-2020), Melanie Lemire, Sherilee Harper, Sonia Wesche, Michel Lucas	\$361,000	2019-2023
Social Sciences and Humanities Research Council Partnership Engage Grant	The COVID-19 crisis in refugee households and the role of a community-based social program in adaptive capacity and resilience	Matthew Little (PI), Sharada Srinivasan, Natasha Vattikonda, Mothers Matter Centre	\$24,982	2020-2022
University of Victoria Internal Research/Creative Project Grant	A fresh food prescription program in Wellington-Dufferin-Guelph region: Knowledge synthesis and evidence-based research planning	Matthew Little (PI), Jess Haines, Philip Loring, Rebecca Clayton	\$8,826.63	2020-2021
Canadian Institutes of Health Research Planning and Dissemination Grant	Evaluating protocols for treating moderate acute malnutrition in the Philippines: Knowledge synthesis and agenda setting	Matthew Little (PI), Warren Dodd, Lincoln Lau, Marites Tiongco	\$20,000	2019-2022
Crown-Indigenous Relations and Northern Affairs Canada Northern Contaminants Program, Human Health Stream	Exposure to food chain contaminants in Nunavik: Biomonitoring in adult and youth cohorts of the <i>Qanuilirpitaa</i> survey (Year 3)	Melanie Lemire (PI), Pierre Ayotte (PI), Matthew Little (Co-I), Adel Achouba, Adriano Magesky, Pierre Dumas	\$381,858	2019-2020

M Little – *Curriculum Vitae*

Social Sciences and Humanities Research Council Insight Development Grant	Assessing political, economic, and socio-cultural dimensions of the food environment in the Philippines	Matthew Little (PI), Lincoln Lau, Warren Dodd	\$74,608	2019-2023
Marine Environmental Observation, Prediction, and Response Network Early Career Research Grant	Coastal resilience, food security and sustainable marine harvests	Laurie Chan (Co-PI), Melanie Lemire (Co-PI), Matthew Little (Co-I), Sara Pedro, Tiff-Annie Kenny, Marianne Falardeau-Coté	\$100,000	2019-2023
Canadian Institutes of Health Research Development and Engagement Grant	Co-developing innovative approaches with Indigenous partners to foster coastal resilience, food security, and sustainable marine harvests	Laurie Chan (Co-PI), Melanie Lemire (Co-PI), Matthew Little (Co-I), Tiff-Annie Kenny, Jean-Sébastien Moore, Frederic Maps, Dany Dumont, Blanche Saint-Béat	\$74,990	2019-2023
Health Canada	Synthesizing research on the dietary transition in Inuit Nunangat (Research Contract)	Matthew Little (sole investigator)	\$10,000	2019-2020
Crown-Indigenous Relations and Northern Affairs Canada Northern Contaminants Program, Human Health Stream	Exposure to food chain contaminants in Nunavik: Biomonitoring in adult and youth cohorts of the <i>Qanuilirpitaa</i> survey (Year 2)	Melanie Lemire (PI), Pierre Ayotte (PI), Matthew Little (Co-I), Adel Achouba, Adriano Magesky, Pierre Dumas	\$454,308	2018-2019
Canadian Institutes of Health Research Planning and Dissemination Grant	Nutrient intake and contaminant exposure among coastal populations in a changing climate (NICE-COAST): Priority setting and gap analysis	Matthew Little (PI), Gina Muckle, Melanie Lemire, Pierre Ayotte, Philip Rouja, Jon Oyvind, Joan Grimalt, Pal Weihe, Edouard Suhas	\$20,000	2018-2021
Canadian Institutes of Health Research Planning and Dissemination Grant	Priority setting to address the social determinants of tuberculosis infection and care among income poor households in the Philippines	Warren Dodd (PI), Matthew Little (Co-I), Lincoln Lau	\$20,000	2018-2021
Canadian Institutes of Health Research Team Grant	Climate Change and Indigenous Food Systems, Food Security, and Food Safety	Sherilee Harper (PI), Matthew Little (Co-I), Lea Berrang-Ford, Patricia Garcia, Shuaib Lwasa, Ashlee Cunsolo, James Ford, et al.	\$2,000,000	2018-2023

c. Unsuccessful Applications

Agency and Competition	Title	Applicants (Principal Applicant denoted by PA)	Amount Requested
New Frontiers in Research Fund – Special Call 2022	Amplifying community contributions to health systems resilience	Dodd, W. (PA), Lau, L., Wei, X., Wyngaarden, S., Liu, J., Neufeld, H., Little, M. (co-A).	\$500,000
SSHRC Insight Grant	Interrogating Universal and Targeted Approaches to Pro-Poor Policy in an Emerging Economy: A Mixed-Methods Study in the Philippines	Warren Dodd (PA), Matthew Little (co-A), Lincoln Lau, Marites Tiongco, Craig Janes	\$326,354
University of Victoria Internal Research Grant (Collaborative Health Grant)	Evaluating the impacts and acceptability of a fresh food prescription program on health, food security, and social connectivity in Guelph, Ontario: A quasi-experimental study	Matthew Little (PA), André Smith, Abby Richter	\$38,174
University of Victoria Internal Research Grant (Research Accelerator Fund)	The COVID-19 crisis in refugee households and the role of a community-based social program in adaptive capacity and resilience	Matthew Little (PA), Sharada Srinivasan, Cate Dewey, Chloe Zivot, Natasha Vattikonda, Mothers Matter Centre	\$21,437
Canadian Institutes of Health Research COVID-19 Rapid Research Funding	Mitigating food insecurity during the COVID-19 pandemic through supporting innovation in the Philippines and Honduras	Warren Dodd (PA), Matthew Little (Co-A), Lincoln Lau, Xiaolin Wei, Marites Tiongco	\$327,300
Michael Smith Foundation for Health Research COVID-19 Research Response Fund	Impacts of COVID-19 on food security and opportunities for resilience on Vancouver Island: Indigenous Nations and community food production and provision	Matthew Little (PA), Jeff Corntassel, Elizabeth Vibert, Linda Geggie, Tiffany Joseph, Lynn Thornton	\$145,133
Social Sciences and Humanities Research Council New Frontiers in Research	Integrating participatory approaches in randomized controlled trials in the Philippines	Warren Dodd (PA), Matthew Little (Co-A), Lincoln Lau, Xiaolin Wei	\$200,000
Crown-Indigenous Relations and Northern Affairs Canada Northern Contaminants Program, Human Health Stream	Transdisciplinary and intersectoral approaches to assessing and understanding benefits and risks of contaminants, food and health in the Canadian North	Chris Furgal (PA), Matthew Little (Co-A), Melanie Lemire, Laurie Chan, Sherilee Harper	\$216,200
SSHRC Insight Grant	Inclusive growth in an emerging economy: Social policy, poverty, and well-being in the Philippines	Warren Dodd (PA), Matthew Little (co-A), Lincoln Lau, Marites Tiongco,	\$333,292

d. Honours, fellowships, and scholarships

2023	University of Victoria Faculty of Human and Social Development Early Career Research Excellence Award
2022	Danone Institute of North America One Planet One Health Communication Prize (\$10,000)
2021	Michael Smith Health Research BC Scholar Award (\$450,000)
2021	Polar Knowledge Canada Northern Scientific Training Program (\$3000)
2019	Travel Award, CIHR Starting Investigators' Workshop (\$2000)
2017	D.F. Forster Award for best convocating PhD at the University of Guelph
2017	CIHR Post-Doctoral Fellowship (\$45,000/year for 3 years; truncated after 1 year)
2016	CIHR Michael Smith Foreign Study Supplement (\$6000)
2015	Teaching and Career Development Fellowship, University of Guelph (\$7,500)
2014-2017	CIHR Vanier Canada Graduate Scholarship (\$150,000)
2013-2014	Ontario Graduate Scholarship, Ministry of Training, Colleges, and Universities (\$15,000)
2011-2014	Ontario Veterinary College Doctoral Fellowship (\$52,500)
2006-2010	Loran Scholarship (formerly Canadian Merit Scholarship Foundation National Award) (\$75,000)
2006-2010	University of Guelph Entrance Scholarship (\$10,000)

Impacts of dietary change on nutrient intake and contaminant exposure in Arctic Inuit communities: A systematic review and report informing Arctic Monitoring and Assessment Program 2020. Prepared for Health Canada.
10. **Little, M.**, Achouba, A., Dumas, P., Ouellet, N., Ayotte, P., Lemire, M. (2018). Selenoneine in red blood cells of Inuit from Nunavik: What is it and what does it mean? Prepared for the Nunavik Nutrition and Health Committee (NNHC).
11. Patel, K., Dodd, W., **Little, M.**, Humphries, S., Muniyappan, K. (2014). Small millets, big potential: Diverse, nutritious, and climate smart. Prepared as a Policy Briefing for Foreign Affairs, Trade, and Development Canada and the Ministry of Health and Ministry of Agriculture, Government of India.
12. **Little, M.**, Bhumika, D., Humphries, S., Patel, K., Zivot, C., Dewey, C. (2019). Anemia in a rural region of south India: A public health crisis. *Centre for Public Health and Zoonoses Dissemination Series*.

e. Presentations at conferences or institutions

1. **Little, M.**, Dodd, W., Stringer, E., Vsetula, K., Richter, A. (October 2023). *A 52-week fresh food prescribing program reduces food insecurity and improves fruit and vegetable consumption in Ontario, Canada*. Poster presentation at the CIHR Institute for Nutrition Metabolism and Diabetes New Investigators Workshop, Halifax, NS. (Invited)
2. **Little, M.** (May 2023). *Delivering on sustainable food systems: A Good Food Box program in Nanaimo, BC*. Oral presentation (webinar) for Canadian Nutrition Society webinar titled “Transdisciplinary community-based projects to promote sustainable food systems in Canada”. [Online] (Invited)
3. **Little, M.** (April 2023). *Fresh food prescribing at the Guelph Community Health Centre*. Oral presentation at the UVIC Faculty of Human and Social Development Research Day, Victoria, BC. (Invited).
4. **Little, M.**, Kenny, T. A., Naylor, N. (December 2022). *Moving from understanding to action on food security in the Canadian Arctic: Summary of conference workshop*. Oral session at ArcticNet Annual Scientific Meeting, Toronto, Ontario. (Invited)
5. Carignan, M-H., Lemire, M., Pedro, S., Maps, F., Lévesque, S., Duhaime, G., Ayotte, P., Gauthier, M-J., **Little, M.**, Kenny T-A. (December 2022). *Quantitative diet modeling to anticipate the consequences of climate change on the Nunavimmiut Marine Food System*. Poster session at ArcticNet Annual Scientific Meeting, Toronto, ON.
6. Carignan, M-H., Lemire, M., Pedro, S., Maps, F., Lévesque, S., Duhaime, G., Ayotte, P., Gauthier, M-J., **Little, M.**, Kenny T-A. (November 2022). *Quantitative diet modeling to anticipate the consequences of climate change on the Nunavimmiut Marine Food System*. Oral session at Sentinel North Annual Conference, Québec, QC.
7. Pedro, S., Lemire, M., Hoover, C., Saint-Béat, B., Janjua, M. Y., Herbig, J., Geoffroy, M., Yunda-Guarin, G., Moisan, M-A., Boissinot, J., **Little, M.**, Chan, L., Tremblay, J-E., Babin, M., Kenny, T-AA., Maps, F. (Nov. 2022). *A (scientific) ecological perspective of the structure and function of the Western Baffin Bay Coastal and Shelf Ecosystem*. Oral presentation at Sentinel North Annual Conference, Québec, QC.
8. **Little, M.**, Kenny, T.A. (October 2022). *Piujuit: Food access, preferences, and choices in Nunavik*. Oral presentation to the *Anguvigaq – Regional Nunavimmi Umajulirijiit Katujiqatigininga* (Nunavik Regional Hunter’s and Trapper’s Association) Annual General Meeting, Montréal, QC. (Invited).
9. **Little, M.**, Kenny, T.A. (May 2022). *Fish consumption and latitude are drivers of vitamin D status among Inuit living in Nunavik, northern Québec*. Oral presentation to the Nunavik Regional Board of Health and Social Services. [virtual]
10. Pedro, S., Lemire, M., Hoover, C., Saint-Béat, B., Janjua, M. Y., Herbig, J., Geoffroy, M., Yunda-Guarin, G., Moisan, M-A., Boissinot, J., **Little, M.**, Chan, L., Tremblay, J-E., Babin, M., Kenny, T-AA., Maps, F. (Feb. 2022). *A (scientific) ecological perspective of the structure and function of the Western Baffin Bay Coastal and Shelf Ecosystem*. Oral presentation at the MEOPAR Annual Scientific Meeting 2022. [virtual].
11. **Little, M.** (June 2022). *Fostering food security and sustainable marine harvests in Inuit Nunangat*. Oral Presentation at UVic Health Initiative. (Invited).

12. **Little, M.**, Kenny, T.A., (May 2022). *Piujuit: Food access, preferences, and choices in Nunavik*. Oral presentation to the Nunavik Nutrition and Health Committee, Nunavik Regional Board of Health and Social Services.
13. **Little, M.**, Kenny, T.A., Bishop, M. [co-chairs] (December 2021). *Moving from knowledge to action on food security in the Canadian Arctic*. Oral session at ArcticNet Annual Scientific Meeting. (Invited) [virtual].
14. **Little, M.**, Kenny, T.A., Bishop, M. (December 2021). *Nutritious North: from subsidies to supporting harvesters*. Town Hall session at ArcticNet Annual Scientific Meeting. (Invited) [virtual].
15. **Little, M.** (November 2021). *Introducing the CHOICES project*. Nunavik Nutrition and Health Committee Annual Meeting. (Invited) [virtual].
16. Zivot, C., **Little, M.** (August 2021). *Lived experiences of the Covid-19 pandemic among recently-resettled refugees in Calgary, AB*. International Association for the Study of Forced Migration Conference, University of Ghana, Ghana [virtual event].
17. **Little, M.** (April 2021). *Balancing the risks and benefits of traditional foods to promote food security in the Arctic*. Russia and Canada Federal and Subnational Cooperation in the Arctic [virtual event organized by St. Petersburg State University and Global Affairs Canada]. (Invited)
18. **Little, M.** (March 2021). *Determinants of health in the Arctic: Lessons from Inuit Nunangat*. OXFAM Global Determinants of Health Event, Guelph, ON [virtual event]. (Invited)
19. **Little, M.**, Ramraj, V., Ho, C., Or, J., Cheung, D. T. (March 2021). *Covid-19 in Asia: Law and Policy Contexts*. Book talk organized by the Centre for Medical ethics and Law, University of Hong Kong [virtual event]. (Invited)
20. Zivot, C., Dewey, C., Srinivasan, S., **Little, M.** (January 2021). *Introducing the Health in HIPPY Homes Project*. A Vision for Inclusion of Isolated Mothers in Canada Conference, presented by Mothers Matter Centre, Vancouver, BC [virtual event]. (Invited)
21. Macdonald, H., Papadopoulos, A., **Little, M.** (December 2020). *Sociodemographic patterning of knowledge of type 2 diabetes in rural Tamil Nadu, India*. Public Health Symposium, University of Guelph, Guelph [virtual event]. (Invited)
22. **Dodd, W.**, Kipp, A., Lau, L., Little, M., Conchada, M., Sobreviñas, A., Tiongco, M., Sauler, M. (June 2020). Agency, targeting, and entitlement within a national conditional cash transfer program: A qualitative study from the Philippines. *Canadian Association for Studies in International Development*. London, Ontario [Conference cancelled].
23. **Little, M.** (May 2020). *Food prescription pilot project: Results sharing and next steps*. Oral presentation at the Guelph Community Health Centre Annual Conference [virtual]. (Invited)
24. Pedro, S., Moisan, M-A., Maps, F., Saint-Beat, B., Kenny, T-A., **Little, M.**, Chan, L., Babin, M., Tremblay, J-E, Lemire, M. (March 2020). *Modelling Arctic marine food webs under climate change: climate change, sustainability of marine harvests, and food security in coastal communities in the Canadian Arctic*. Québec-Océan Annual Scientific Meeting, Beaupré, Québec.
25. **Little, M.** (March 2020). *Global determinants of health: Case studies from India and South-east Asia*. Invited oral keynote presentation at Global Determinants of Health presented by OXFAM. [Event was cancelled due to COVID-19 Restrictions]. (Invited)
26. **Little, M.**, Vibert, E., Corntassel, J., Gauthier, M., Gutberlet, J. (March 2020). *Food sovereignty in an era of climate crisis*. Ideafest Panel organized by the Centre for Global Studies, University of Victoria, Victoria, Canada. (Invited)
27. **Little, M.**, Kenny, T.A. [co-chairs] (December 2019). *The changing Arctic Ocean and community health*. Oral presentation at ArcticNet Annual Scientific Meeting, Halifax, Canada. (Invited)
28. **Little, M.**, Kenny, T.A. (December 2019). *Bridging ocean and health sciences in the Arctic: Concepts, complexity, and collaboration*. Oral presentation at ArcticNet Annual Scientific Meeting, Halifax, Canada. (Invited)
29. Pedro, S., Moisan, M.A., Maps, F., Saint-Beat, B., Kenny, T.A., **Little, M.**, Chan, L., Babion, M., Tremblay, J.E., Lemire, M. (December 2019). *Using ecosystem modelling to foster sustainability of marine harvest and food security in coastal communities of the Canadian Arctic facing climate change*. Oral presentation at ArcticNet Annual Scientific Meeting, Halifax, Canada.

30. **Little, M.**, Magesky, A., Ayotte, P., Lemire, M. (November 2019). *Selenoneine in beluga whales and potential implications for Inuit Health*. Oral presentation at Nunavik Climate Change and Food Security Priority-Setting Meeting, Kuujuaq, Canada. (Invited)
31. **Little, M.**, Humphries, S., Dodd, W., Dewey, C. (November 2019). Socio-demographic patterning of the individual-level double burden of malnutrition in a rural population in South India: A cross-sectional study. Oral presentation at the CSIH Canadian Conference on Global Health, Ottawa, Canada.
32. **Zivot, C., Heasley, C., Little, M.** (November 2019). *A scoping review on the state of gender-centred research in the context of refugee health literature in Canada*. Oral presentation at the CSIH Canadian Conference on Global Health, Ottawa, Canada.
33. **Little, M.**, Ayotte, P., Magesky, A., Achouba, A., Lemire, M. (October 2019). *Selenoneine in beluga whales and potential implications for Inuit health: Preliminary evidence incorporating Inuit Knowledge with Western Science in Nunavik*. Oral presentation at NCP Results Workshop, Whitehorse, Canada. (Invited)
34. **Little, M.** (March 2019). *Social and ecological determinants of health: An in-depth investigation of country foods in Quaqtaq, Nunavik*. Oral keynote presentation at Filling the Gaps presented by OXFAM. University of Guelph, Canada. (Invited)
35. **Little, M.** (March 2019). *The nutrition transition and environmental contaminants: A case study of Inuit in the Canadian Arctic*. Invited oral keynote presentation at Extended Learning Opportunities, Erin, Ontario, Canada.
36. **Little, M.** (March 2019). *Social determinants of health: What do they really mean for public health practitioners?* Invited guest lecture for POPM*6510: Health Promotion, University of Guelph, Canada
37. **Little, M.** (January 2019). *Food environments and their impact on health and economic development: Case studies from south India and northern Canada*. Invited guest lecture for IDEV*2500: International Development Studies, University of Guelph, Canada
38. **Zivot, C., Humphries, S., Dodd, W., Dewey, C., Little, M.** (November 2018). Burden and determinants of anemia in a rural population in South India: A cross-sectional study. Oral presentation at the CSIH Canadian Conference on Global Health, Toronto, Canada.
39. **Little, M.**, Ayotte, P., Dumas, P., Achouba, A., Ouellet, N., Lemire, M. (August 2018). *Determinants of selenoneine concentration in red blood cells of Inuit from Nunavik (Northern Quebec, Canada) and implications for selenium risk assessment*. Oral presentation at International Society of Environmental Epidemiology Annual Conference, Ottawa, Canada.
40. **Little, M.**, Ayotte, P., Dumas, P., Achouba, A., Ouellet, N., Lemire, M. (December 2017). *Selenium, selenoneine, and methylmercury in marine mammal country foods and Inuit adults: Novel results from Nunavik*. Oral Presentation at Arctic Change Conference, Québec, QC, Canada
41. **Tahir, E.**, Ayotte, P., **Little, M.**, Bélanger, R., Lucas, M., Mergler, D., Sidi, E., McHugh, N., community of Winneway – Long Point First Nation, Community of Lac Simon, CSSS Tsukuminu Kanani of Nutshkuan, Community of Unamen Shipu, Lemire, M. (December 2017). *Characteristics of anemia and iron status and their associations with blood manganese and lead among children aged 3-19 years old from four First Nation communities in Québec*. Poster presentation at Arctic Change Conference, Québec, Canada.
42. **Little, M.** & Wallar, LE. (June 2016). *Graduate teaching fellowships: Promoting immersive and advanced teaching development opportunities*. Poster presentation at Society for Teaching and Learning in Higher Education (STLHE) Annual Conference, London, Canada.
43. **Little, M.** [chair], Dodd, W., Humphries, S., Patel, K. (June 2016). *Power, partnerships, and positionality: The role of graduate students in International Development*. Oral Panel at the Canadian Association for the Study of International Development (CASID) Annual Conference, Calgary, Canada.
44. **Little, M.**, Humphries, S., Patel, K., Dewey, C. (December 2015). *Prevalence and factors associated with type 2 diabetes in a rural community of southern India: A cross-sectional study*. Poster presentation at International Diabetes Epidemiology Group Conference, Vancouver, Canada.
45. **Little, M.** (November 2015). *Tension, rice, and the 'sugar disease': Employing qualitative methods to investigate social determinants of type 2 diabetes in rural India*. Poster presentation at the Canadian Conference on Global Health, Montreal, Canada
46. **Little, M.** (November 2015). *Risk factors associated with type 2 diabetes in rural India*. Oral Presentation at the Population Medicine Department Speaker Series, University of Guelph, Canada. (Invited)

47. **Little, M.** (November 2015). *Nutrition, chronic disease, and shifting livelihoods: Lessons from rural India*. Oral Presentation at International Development Studies Speaker Series. Guelph, Canada. (Invited)
48. **Little, M.** (May 2014). *Explanatory models, attitudes, and perceptions of rural diabetics in Tamil Nadu*. Oral Presentation at Global Development Symposium, Guelph, Canada.
49. **Little, M.** (February 2014). *Cross-cultural connections: The importance of international collaborations*. Guest lecture for the Madras Diabetes Research Foundation, Chennai, India. (Invited)
50. **Little, M.** (January 2014). A One Health Approach to diabetes research: How to merge agricultural and health research. Guest lecture for RESMISA project meeting, Bangalore, India [audience included Jean Lébel, President, International Development Research Centre]. (Invited)
51. **Little, M.** (May 2012). *An analysis of disease perceptions and management techniques for patients with diabetes mellitus type II in rural Guatemala*. Oral presentation at the Global Development Symposium, Guelph, Canada.
52. **Little, M.** (May 2012). *Investigating shifting nutrition patterns and the double burden of malnutrition in south Asia*. Oral presentation at the Global Development Symposium, Guelph, Canada.

7. SERVICE AND PROFESSIONAL ACTIVITIES

a. University and Faculty Committees

Dates	Position held
Sept. 2021 – present	Member, Social Dimensions of Health Program Committee
Jan. – Aug. 2022	PHSP representative and Equity and Diversity Champion, Canada Excellence Research Chair Nomination Committee, ‘Extreme Climate Events and Community Health’
April 2022 – May 2022	Reviewer, HSD Internal Research Grant
Jan. 2021 – Oct. 2021	UVic Liaison, British Columbia Coalition Institute (BCCI-3) Organizing Committee
May 2021 – August 2022	School of Public Health and Social Policy Champion, Faculty of Human and Social Development 2022-2026 Strategic Plan
Sept. 2020 – present	UVic Liaison, University Advisory Council, Canadian Coalition for Global Health Research
Sept. 2020 – present	Member, UVic in the Anthropocene Working Group
Sept. 2020 – Dec. 2020	Member, Vanier Canada Graduate Scholarship and Trudeau Scholarship Nomination Committee
May 2020 – present	Member, Water Sustainability Collective
Nov. 2020 – present	HSD Representative, University of Victoria Climate Solutions Navigator
Jan. 2020 – present	Co-convener, Centre for Global Studies Global Health Discussion Group

b. Department/School Committees and Responsibilities

Dates	Position held
July 2023 – present	Departmental Member, Appointment, Reappointment, Promotion, and Tenure Committee (tenure for n=1 individual)
Sept. 2023	Reviewer and Adjudicator, Social Dimensions of Health graduate program Donor Award nominations
Oct. 2020 – Oct. 2022	Member, faculty recruitment and selection committee, five positions: <ul style="list-style-type: none"> • Assistant Professor (preferential hire; transfer from the School of Child and Youth Care) • Assistant/Associate Professor (preferential hire) (RTR PHSP 240-126) • Assistant Teaching Professor, Limited Term (preferential hire) (RTR PHSP 240-129) • 2 x Assistant/Associate Professor (limited Indigenous hire) (RTR PHSP 240-126a/126b)
Jan. 2021 – present	Reviewer, Social Dimensions of Health Program entrance applications

Feb. 2020 – Oct. 2021	Member, School of Public Health and Social Policy Unit Standards Review Committee
Jan. 2020 – present	Member, School of Public Health and Social Policy Master of Public Health Admissions Committee

c. Membership and service on international, national, and professional bodies and societies

Dates	Position	Organization
2020 – present	Member	Canadian Public Health Association
2021 – present	Member	Canadian Association for Global Health
2016 – 2021	Member	Canadian Coalition for Global Health Research
2016 – 2020	Member	Canadian Society of International Health
2018 – 2019	Member	International Society for Environmental Epidemiology

d. Conference and event organisational committees

Dates	Activity
Sept. 2023 – present	Member, Organizing Committee, <i>Nunavik Workshop on Arctic Science and Inuit Knowledge</i> , a three-day meeting planned for February, 2024 in Inukjuaq, QC; attendance > 45 people
Aug. 2022 – Dec. 2022	Chair, Organizing Committee, <i>Moving from understanding to action on food security in Inuit Nunangat</i> , one-day conference on Dec. 5 th , 2022 in Toronto, ON; attendance >55 people
Jul. 2022 – Oct. 2022	Chair, Organizing Committee, <i>The future of fresh food prescribing in Guelph and Wellington County</i> , one-day conference on Oct. 27 th , 2022 in Guelph, ON; attendance >50 people
March 2021 – Oct 2021	Member, Organizing Committee, British Columbia Coalition Institute-3 Conference
May 2021 – Sept. 2022	Member, Organizing Committee, Lansdowne Scholar and Indigenous Food Sovereignty Conference
Dec. – Mar. 2021	Collaborated with Dr. Jeff Corntassel (CIRCLE) and Dr. Elizabeth Vibert (History) to organize and moderate film screenings of “Gather” and “Food is Connection” and panel conversations with the filmmakers and food sovereignty advocates (event held March 11 th and March 18 th , 2021; cumulative attendance >300 people)

e. Grant committees

Dates	Agency	Committee
Aug. 2022 – Nov. 2022	Global Alliance for Chronic Diseases and Canadian Institutes of Health Research	GACD International Joint Peer Review Panel for funding call, ‘A life course approach to common NCD risk factor prevention and reduction’
Apr. 2022 – May 2022	University of Victoria Faculty of Human and Social Development	HSD Research Grant Review Committee
Sept. 2017 – Dec. 2017	Canadian Institutes of Health Research	Global Health Planning and Dissemination Grant Review Committee

g. Visiting scientists and community members hosted

Dates	Activity
Mar. 2021 – Sept. 2022	Nominating Committee, Lansdowne Scholar Visiting Lecturer. Nominee: Nephi Craig, Apache Chef and Indigenous food sovereignty activist. Nomination was successful; event planned and carried out Sept. 2022

h. Editorships

Dates	Activity
April 2021 – March 2022	Guest Editor, <i>Nutrients</i> special issue - Traditional Diets: Sustainability, Sovereignty, Safety, Food Security, and Health Dimensions

i. Reviews for journals, book reviews, and published commentaries

Date	Activity
2023	Ad hoc peer reviewer for FACETS (n=1), Canadian Journal of Public Health (n=2), Arctic Science (n=1), Pilot and Feasibility Studies (n=1), Pediatrics (n=1), BMJ Open (n=1), Public Health Nutrition (n=1), Contemporary Clinical Trials (n=1), Nutrition and Health (n=1)
2022	Ad hoc peer reviewer for Sustainability (n=1), Nutrients (n=1), Canadian Journal of Public Health (n=1), Agriculture and Human Values (n=1), FACETS (n=1), PLOS ONE (n=1), Nature Communications Earth and Environment (n=1)
2021	Ad hoc peer reviewer for International Journal of Environmental Research and Public Health (n=1), Nutrients (n=3), Nutrition, Metabolism, and Cardiovascular Diseases (n=1), PLOS One (n=1), Regional Environmental Change (n=1)
May 2020	Reviewer, University of Toronto Press: “The Fight for Global Health Equity in the 21 st Century” (book proposal)
2020	Ad hoc peer reviewer for International Journal of Environmental Research and Public Health (n=1), Canadian Journal of Public Health (n=4), BMC Public Health (n=1), Qualitative Health Research (n=2), SAGE Open Medicine (n=1)
2019	Ad hoc peer reviewer for Canadian Journal of Public Health (n=1), Endocrinology and Diabetes (n=1), Health Sciences Inquiry (n=4), Medical Anthropology (n=1)
2018	Ad hoc peer reviewer for Asia Pacific Journal of Public Health (n=1), Medical Anthropology (n=1)
2017	Ad hoc peer reviewer for Asia Pacific Journal of Public Health (n=1), International Journal of Diabetes in Developing Countries (n=1)

8. Other activities

a. Membership on Community Advisory Groups

Date	Activity
2020-present	Scientific Advisor, <i>Nutaratsaliit Qanuingsiarningit Niqituinnanut</i> Regional Action Group
2020-present	Member, Fisheries and Oceans Canada Beluga and Human Health Working Group
2018-present	Member, Arctic Monitoring and Assessment Program Human Health Expert Group
2017-present	Expert Advisor, Nunavik Nutrition and Health Committee

b. Service Commitments at Other Institutions

Date	Activity
2018-2019	Member, Master of Public Health Admissions Committee, University of Guelph

2018-2019	Member, working group to establish Canada-India Research Centre for Learning and Engagement (CIRCLE), University of Guelph
2018-2019	Member, oversight group, Guelph Institute for Development Studies (GIDS), University of Guelph
2018-2019	Member, oversight group, One Health Institute, University of Guelph

c. Evidence of media training

- Pitch Perfect Media Training (February 4, 2020): 1.5-h session facilitated by University Communications and Marketing, University of Victoria
